SELECT FORCE SERIES

THE COOL WAY TO JOIN THE PROFESSIONALS

The SONOR Select Force Series is the pinnacle of the new Force range. The Select Series is a set for every drummer: designed especially for advanced and semi-professional drummers, Select Force drum sets can also be an interesting alternative for professional drummers. A wide array of pre-configured sets, components and the very latest features from the professionals' series make SONOR Select Force sets a real hit!

Select Force Sounds

The 7-layer Canadian maple shells offer uncompromisingly rich and warm sounds, highlight lower pitches and provide balance in the mid-range and treble. Whether in the woodshed, recording studio or on stage, SONOR's Select Force sets deliver a powerful performance every time.

SONOR Select Force Maple Shell Design

Shells deliver maximum strength, perfect curving and neutral tuning, due to the tension-free cross lamination of individual layers of wood (CLTF Cross Laminated Tension Free Process).

SONOR Select Force Shell Thicknesses

7 layers for bass drums = 7.2 mm
 2.4 mm Canadian maple + 2.4 mm Chinese maple + 2.4 mm Canadian maple
 7 layers for snare drums, tom toms and floor toms = 5.8 mm
 1.7 mm Canadian maple + 2.4 mm Chinese maple + 1.7 mm Canadian maple

New 20" Deep Bass Drums –

For Maximum Power and Rich Bass Drum Sounds!

Short Tom Sizes – Full Sustain and Quick Response!

The new SONOR Force tom toms with 'short' shells offer controlled sustain and give the drums a crisp attack.

Individual Components – For Enhanced Setups!

A large selection of individual components provide perfect add-ons for an even bigger performance – ideal for live gigs requiring multiple setups.

Tom Mounting System – Powerful Sounds Thanks to Minimal Shell Contact!

The vibration-free T.A.R. system (Total Acoustic Resonance) with APS provides maximum resonance and sustain.

Bass Drum Bracket – Smooth and Snug!

The standard Force Series bass drum ships with a bracket. The inner workings of the bracket are built for a strong and secure base; thanks to a smooth yet firm application of pressure.

Bass Drum Claws – Protect Your Rims!

Rubber padding beneath the bass drum claws protects the wooden rim against damage.

Bass Drum Spurs – Quick and Easy Set-Up!

Position clamps (Memory Locks) 'remember' your preferred bass drum spur height.

Bass Drum Legs – On Solid Footing, Everywhere You Go!

The bass drum feet can be converted from rubber to metal by turning the rubber foot. Fixing the position by a fastening screw.

Select Force Set in 13075 Sunburst

SEF 11 1816 BD WM	Bass Drum	18" x 16"
SEF 11 1455 SDW	Snare Drum	14" x 5.5"
SEF 11 1008 TT	Tom Tom	10" x 8"

MBS 473	Mini Boom Stand
SP 473	Bass Drum Single Pedal

Pre-Muffled Bass Drum Heads – For Just the Right Kick!

Pre-muffled batter and resonance heads on the bass drum provide 'all-round' powerful sounds and dynamic 'kicks'. SONOR heads made by REMO.

Tuning Lugs with TuneSafe – Real Eye-Catchers, with SONOR Design!

The new SONOR Force tuning lugs with fine-pitch threads are equipped with the TuneSafe tuning safeguard feature, which prevents tension screws from loosening.

400 Series Hardware Set – Reliable and Sturdy 'On the Road'!

The Hardware 400 Series provides solid double-braced stands for maximum stability and reliability. The SONOR 3-segment clamp offers maximum support for very little effort – whether for jazz or power drumming.

ESSENTIAL FORCE SERIES

OPTIMUM PLAYING COMFORT WITH PROFESSIONAL FEATURES

The SONOR Essential Force Series is designed for advanced drummers not willing to sacrifice their musical freedom. Five preconfigured sets and 15 individual components offer unlimited possibilities for a drummer's individual configuration.

SONOR Essential Force Sounds

The 6-layer birchwood shells are a superb foundation for SONOR Essential Force Sets. A hefty and dynamic sound – with accentuated mid-ranges and highs, and defined lows – are the hallmark of these shells. With high-gloss-lacquered natural wood surfaces, SONOR's Essential Force really steals the show.

SONOR Essential Force Birch Shell Design

Birchwood shells deliver maximum strength, perfect curving and neutral tuning – thanks to tension-free cross lamination of the individual layers of wood (CLTF Cross Laminated Tension Free Process).

SONOR Essential Force Shell Thicknesses

6 layers for bass drums, tom toms, floor toms and snare drums = 7.2 mm

New 20" Deep Bass Drums – For Maximum Power and Rich Bass Drum Sounds!

Short Tom Sizes – Full Sustain and Quick Response!

The new SONOR Force tom toms with 'short' shells offer controlled sustain and give the drums a crisp attack.

Individual Components – For Enhanced Setups!

ESSENTIAL FORCE SERIES

SMART FORCE SERIES

OFF TO THE RIGHT START

The SONOR Smart Force Series – designed especially for beginners at an uncompromisingly attractive price. Extremely interesting for all up-and-coming rockers, jazz cats, enthusiasts of metal or the blues ... or any drummer who's looking for a drum set that is sturdy, yet versatile.

SONOR Smart Force Sounds

The 9-layer poplar shells of the SONOR Smart Force Sets are full bodied, providing balanced sound with lots of power up front.

SONOR Smart Force Shell Design

The poplar shells deliver maximum strength, perfect curving, and neutral tuning thanks to tension-free cross-lamination of the individual layers of wood (CLTF Cross Laminated Tension Free Process). The covered finish is very sturdy and long lasting, and the workmanship is impeccable.

SONOR Smart Force Shell Thicknesses

9 layers for bass drums, tom toms, floor toms and snare drums = 7.2 mm

Pre-Muffled Bass Drum Heads – For Just the Right Kick!

Pre-muffled batter and resonance heads on the bass drum provide 'all-round' powerful sounds and dynamic 'kicks'. SONOR heads made by REMO.

Tuning Lugs with TuneSafe – Real Eye-Catchers, with SONOR Design!

The new SONOR Force tuning lugs with fine-pitch threads are equipped with the TuneSafe tuning safeguard feature, which prevents tension screws from loosening. And for the beginner, this means the "tuning" lasts even longer.

Bass Drum Bracket – Smooth and Snug!

The standard Force Series bass drum ships with a bracket. The inner workings of the bracket are built for a strong and secure base; thanks to a smooth yet firm application of pressure.

Bass Drum Legs – On Solid Footing, Everywhere You Go!

The bass drum feet can be converted from rubber to metal by turning the rubber foot. Fixing the position by a fastening screw.

Double Tom Holder – Sturdy and Individually Tailored!

With the tried and true 'Ball Clamp' system, the tom toms can be securely positioned wherever the drummer wishes.

Double-Braced Hardware – Sturdy and Steady!

SMART FORCE XTEND

THE COMPLETE DRUM SET FOR THE SOUND-CONSCIOUS BEGINNER

The SONOR Smart Force Xtend Series is based on the specifications of the Smart Force Series, while offering a complete Drum Setup. Each Setup comes with the SONOR Cast B8 Cymbal Set, an additional Mini Boom Stand as well as a Drum Throne – out of the box and ready to play! The Xtend Drum Sets are designed for beginners and advanced players taking their first steps into the drum community. With its attractive price, this complete Drum Set is the picture of long-lasting musical pleasure.

SONOR Smart Force Xtend Sounds

Because beginners shouldn't have to hide from established players, the 9-layer poplar shells of SONOR's Smart Force Xtend Sets offers the needed punch to keep those just starting out from falling by the musical wayside.

ARTIST SNARES series

THE VERY BEST SNARES

The exclusive SONOR Artist Snare Series combines the experience of the world's most talented drummers with SONOR's vast percussion instrument manufacturing expertise. This partnership has produced unparalleled snare drum models which meet even the most stringent demands.

From brass to steel or bronze, from maple to beech and birch, each and every Artist Snare Drum is a masterpiece in its own right. During the development process, design is as integral to the final product as sound quality. This attention to detail gives each Artist Snare Drum its own unmistakable character.

See for yourself on the following pages, or visit your SONOR instrument dealer to experience the tremendous quality of SONOR Artist Snares.

AS 07 1205 AD in 10257 Art Design

A 12-ply birch shell with 12" x 5" size gives this snare drum a crisp, bright sound with plenty of attack. Whether using it as the main drum or as a side snare drum, the high pitched rim shots and sensitive response of the stainless steel snares ensure perfect sound performance. Ideal for the short breaks in drum 'n' bass, hip-hop or electronic pop.

12" x 5" Artist Snare Drum, Art Design Finish, 12-ply Birch shell, 7 mm shell thickness, high gloss laquer finish, 16 tension rods, TuneSafe, throw-off snare action, chrome plated fittings with finish protectors, 18 steel wires

AS 07 1305 EA in 10309 Earth

The main feature of this Artist Snare Drum is the massive, 27-layered (and hence 28 mm thick) beechwood shell; this gives the snare a 'hefty' sound. It is deep, with lots of 'bottom', and yet transparent. Well suited for funk, fusion, jungle or electronic beats. The gold-plated fittings, combined with a lustrous lacquer finish, are a real show stopper.

13" x 5" Artist Snare Drum, Earth Finish, 27-ply Beech shell, 28 mm shell thickness, high gloss laquer finish, 16 tension rods, TuneSafe, throw-off snare action, gold-plated fittings with finish protectors, 18 brass wires

AS 07 1405 MB in 10323 Scandinavian Birch

With its thin Vintage Maple Shell, this Artist Snare Drum offers excellent resonance and a clear, transparent sound. The classic Scandinavian Birch finish and the gold-plated fittings give it a very high end look. Its warm and rich sound make this snare drum quite versatile and naturally suited to a wide variety of musical styles.

14" x 5" Artist Snare Drum, Scandinavian Birch, 6-ply Vintage Maple shell, 4 mm shell thickness plus 2 mm Dynamic Edges, matt laquer finish, single flange hoops, 20 tension rods, Tune-Safe, throw-off snare action, gold-plated fittings with protectors, 18 bronze wires

ARTIST SNARES

14" x 6" Artist Snare Drum, Cottonwood Finish, 9-ply Medium Maple shell, 6 mm shell thickness, matt lacquer finish, die-cast hoops, 20 tension rods, TuneSafe, throw-off snare action, chrome plated fittings with finish protectors, 24 steel wires

AS 07 1406 CM in 10297 Cottonwood

Perfect as an all-round snare drum this model features a 9-ply maple light shell, a unique CM Cottonwood Satin finish and die-cast chrome plated rims. Producing a warm and full tone with a harmonic frequency, it also offers very clear attack and sensitive response due to the stainless steel snares.

AS 07 1406 BRB Bronze Black

The "heavyweight" of the Artist Series, this snare drum is made of a 14" x 6" cast bronze shell. Similar to the cymbal making process, the shell is made of one piece of bronze for best resonance and full projection. Offering maximum volume, it is the ideal drum for music requiring a sharp, loud and powerful snare.

14" x 6" Artist Snare Drum, Bronze, Bronze shell, 3 mm shell thickness plus 2 mm Dynamic Edges, protection lacquer, die-cast hoops, 20 tension rods, TuneSafe, throw-off snare action, black-plated fittings with finish protectors, 24 bronze wires

14" x 5" Artist Snare Drum, Brass, Brass shell, 1 mm shell thickness, protection lacquer, die-cast hoops, 20 tension rods, TuneSafe, throw-off snare action, gold-plated fittings with finish protectors, 24 brass wires

AS 07 1405 BG Brass Gold

The best choice for drummers looking for an explosive, bright sound with a high level of force and soft shading. Offering a broad sound with sensitive response for all playing dynamics, this snare drum also features gold-plated fittings.

AS 07 1307 AM in 30009 Amboina

The latest addition to the Artist Snare programme is the highly select 13" x 7" Amboina Snare. Constructed using a Heavy Maple Shell, this snare drum embodies true perfection, only found in SONOR's superb quality construction. The sound ranges from sensitive moments to brute force – characterizing this all-around instrument with soft, warm tone in the lower pitches along with balanced mediums and highs. Using one of the finest wood veneers (Amboina) combined with gold-plated fittings, this snare drum's look is breathtaking.

13" x 7" Artist Snare Drum, Amboina Finish, 12-ply Heavy Maple shell, 8 mm shell thickness, high gloss lacquer finish, 16 tension rods, TuneSafe, throw-off snare action, gold-plated fittings with finish protectors, 18 brass wires

14" x 5" Artist Snare Drum, Chrome, Steel shell, 1 mm shell thickness, protection lacquer, 20 tension rods, TuneSafe, throw-off snare action, black-plated fittings with finish protectors, 2 x 8 steel wires

AS 07 1405 SB Steel Black

The heart of this Artist Snare Drum is a chromium-plated stainless steel shell. The perfect studio snare drum, it's also well suited to rock and funk drummers. Excellent rim shot sounds, a rich tone and a broad spectrum of medium-range and high pitches are other distinguishing features. The shell is coated with a special protective lacquer with black-plated rims and fittings.

SIGNATURE SNARES

THE STEVE SMITH SIGNATURE SNARE DRUM

Steve Smith, one of the world's greatest drummers, has been endorsing SONOR Drums for more than 30 years – more than just a good reason to celebrate with a Steve Smith Signature Snare Drum Model. Steve and the SONOR engineers created a true masterpiece that is addicted to sound, features, design and most of all, Steve's input.

The 14" x 5.5" Signature Snare Drum is an outstanding instrument, made out of an exclusive, 2.5 mm cast steel shell/2.5 mm reinforcement rings and two air vents. Vintage Style Phonic lugs with integrated TuneSafe are in place for

a vintage look, and die-cast hoops and a REMO fiberskyn 3 batter head in Diplomat thickness add to the overall effect of what Steve is looking for in a snare drum: a crisp, full-bodied instrument with an immediate and effortless playing response. Besides the Signature Badge, Steve's Signature is engraved on a Re-Issue of the "Hilite Exclusive" badge, adding another "Vintage SONOR" touch.

Steve uses this instrument in studio sessions and live on tour with his groups Vital Information and Jazz Legacy.

SSD 11 1455 STS**Signature Snare Drum Steve Smith**

14" x 5.5" Signature Snare Drum, Chrome, equipped with a signed Re-Issue of the 1988's Hilite Exclusive Badge, cast steel shell, 2.5 mm shell thickness with 2.5 mm reinforcement rings, Phonic Series Re-Issue tuning lugs with TuneSafe, 20 tension slotted rods, REMO Fiberskyn 3 Diplomat batter head, Artist Series die-cast hoops, 2 hidden ventholes, throw-off snare action, chrome-plated shell hardware, SONOR SoundWire with 24 steel wires

"SONOR DRUMS
HAVE REMAINED MY FIRST AND ONLY CHOICE AS
A HIGH QUALITY INSTRUMENT FOR THE PAST 30 YEARS.
MY SOUND IS THE 'SONOR SOUND',
I CAN'T IMAGINE PLAYING ANY OTHER DRUM KIT"
Steve Smith

Steve Smith

THE BENNY GREB SIGNATURE SNARE DRUM

Since 2004, drumming scene's shooting star Benny Greb is part of the SONOR family. Says Benny: "For me as an artist it is key to embrace both tradition and innovation, and the guys at the Sonor drum company do that same thing. I feel close to people that love what they do and who are dedicated to quality. That's why I feel close to the Sonor Company."

Benny can be found playing with an assortment of musicians, all demanding his tasteful and immaculate playing style. You will find him in rock settings, laying down a ferocious backbeat with both Stoppok and The Ron Spielman

Trio, in jazz with the aptly titled Benny Greb Brass Band.

Early 2010, SONOR and Benny begun working on a very special Snare Drum, Benny's very own Signature model that is as versatile and musical as Benny himself. Benny favors Beech, and that's what gives the drum its transparency, warmth and a wide tuning range with a fat sound. The beautiful outer veneer is Scandinavian Birch that adds a timeless look to the drum. But it wouldn't be Benny without adding something very special. The personalized Benny Greb badge shows his unique "Cartoon-head", and a synthetic design ring is being applied to the shell.

SSD 10 13x5.75 BG**Signature Snare Drum Benny Greb**

13" x 5.75" Signature Snare Drum, Scandinavian Birch matt lacquered finish, equipped with a specially designed Benny Greb Badge and Synthetic Design Ring, 9-ply Thin Beech shell, 5 mm shell thickness, Artist Series lugs with TuneSafe, 16 tension rods, 2.3 mm power hoops, throw-off snare action, chrome-plated shell hardware, SONOR SoundWire with 18 steel wires

Benny Greb

"IN ALL OF MY RECENT RECORDINGS
YOU CAN HEAR THE HUGE SOUND
AND VERSATILITY OF THIS
GREAT INSTRUMENT.
I'M HAPPY TO SHARE THIS SOUND
NOW WITH YOU.
HAVE FUN WITH IT!"
Benny Greb
